1. Munitions are being produced near the town of Ilava on the Vah River in Slovakia (approximate location, 49° 10' E).
2. Although the buildings are new, the machinery is old. It is machinery from factories in Bohemia and Moravia. New parts needed for this factory are supplied from the machine factories at Malinec located at 48°50'N-19°38'E.
3. The number of employees at the munitions works is approximately five hundred. The number however is steadily increasing.
